Reference: - Renewal cum Enhancement Limit request- ID WIB062887

I hope this letter finds you in good health. I am writing to request the renewal and enhancement of my existing credit limit with Bank of Baroda.

I currently have a credit limit of INR 25 lakhs under my customer ID: WIB062887. However, due to the ongoing expansion of my business and increased financial needs, I would like to request a higher credit limit of INR 70 lakhs.

I have been a loyal customer of Bank of Baroda for last 6 years and have consistently maintained a good credit history. I assure you that the increased credit limit will be used responsibly and solely for business purposes.

To support my request, I have attached the necessary documents, including my latest financial statements and business projections. I am confident that with the enhanced credit limit, I will be able to meet my financial commitments and continue to drive the growth of my business.

I kindly request you to expedite the review process and inform me of any additional documentation or steps required from my side to facilitate the enhancement.

Thank you for considering my request. I look forward to your positive response at the earliest.
